ONDRAF/NIRAS

Nuclear Science Contests 2020

To promote nuclear research performed by students and junior professionals, the Belgian Nuclear Research Centre SCK CEN, the Belgian Nuclear Society BNS and the Belgian Agency for Radioactive Waste and Enriched Fissile Materials NIRAS/ONDRAF grant awards for the best research work related to nuclear applications.

You wrote a paper or a thesis related to nuclear?

Then participate in one of the three contests! More than 5500 € to be awarded!

BNS-YG awards

for scientific work (like theses or papers) and a poster award

four awards will be granted
worth 1000, 350, 150 and 150 euro resp.

NIRAS ONDRAF awards

for best Master theses

two awards will be granted
each worth 1000 euro

SCK CEN awards

for best Master theses prepared in the SCK CEN laboratories

two awards will be granted
each worth 1000 euro

The submitted work will be evaluated by a designated jury existing of experienced and junior nuclear researchers and engineers
